NARRATIVE:

Rumaldo Alejandro is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include carrying a loaded firearm, carrying a concealed weapon, possession of controlled substances while armed, possession of dangerous weapons, possession of controlled substances for sale, domestic violence with injury, vandalism, disturbing the peace, marijuana possession, fraudulent display of identification and having a suspended license. He has served multiple incarcerations, the longest being a 2 year term for possession of controlled substances while armed. Alejandro was released from state prison to the supervision of the Los Angeles County Probation Department on November 9, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2015 after he absconded from post release community supervision (PRCS). Alejandro qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for domestic violence with injury is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
